

SPECIAL EVENT SERIES

EVENT FENCE Vinyl Barricade

Add a touch of sophistication to events and delight guests by creating attractive visual perimeters with interlocking white vinyl fence panels.

Used by Experts

Establish VIP zones, dining areas and more using lightweight white vinyl event fence.

Easy to Connect

Use bungee cords to connect event fence panels and create enclosures of any size.

Enhanced Stability

Holes in each panel's swivel T-feet allow you to anchor event fence to the ground to improve stability.

Extremely Durable

Our event fence panels are crafted from premium-grade vinyl over reinforced frames, making them the strongest vinyl barricades on the market.

Event Fence Panel Specifications

LENGTH	72" LONG
HEIGHT	32" HIGH
WIDTH	2.5" WIDE
WEIGHT	37 LBS
BASE STYLE	ROTATING T-FEET
MATERIAL	WHITE VINYL

Accessories *(optional)*

Bungee Cord Connectors

Loop bungees around adjacent fence posts to create secure event enclosures.

Keep Guests Cool

Provide guests with shady areas to eat and cool off with branded canopy tents.

Heavy-Duty Crowd Control

Channelize heavy-traffic areas with sturdier steel bike rack barricades instead of vinyl fence.

Advertise & Monetize

Promote your brand or event sponsors on custom switch, banners and more.
